Founder, CEO

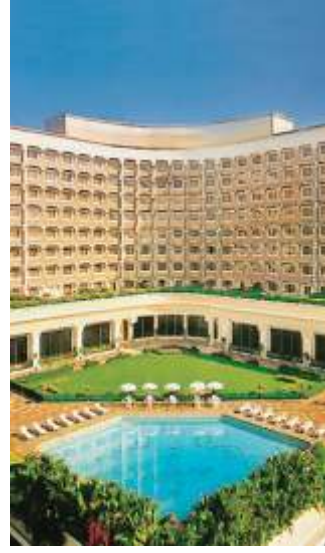

## VIA TRIP CARD

Together we have created history in the B2B travel space of India by offering our customers world class products at competitive pricing. Via has always prided in its ability to revolutionize the travel domain by introducing better, cheaper and simpler alternative to existing products. We believe in disrupting existing product designs by launching innovative concepts that simplifies the way people travel. Continuing in the same tradition, we are taking a brave new step in changing the way our customers **travel** for the better.

To give our product edge in the market we have combined flights with hotels to create affordable trips for our customers. Now when a business traveler wants to fly return, he/she can conveniently buy a trip online or through partner Via stores and save a significant amount on their stay. The pricing is kept fixed so that the traveler doesn't need to pay anything extra if he stays 1 night in 5 star or 2 nights in 4 star or 3 nights in 3 star at our selected hotels. The choice of hotels is kept such that they offer quality stay and are rated high in Trip Advisor ratings. We believe that this will make travel purchase simple and convenient for any business traveler.

If you are a frequent flier, you can buy a Via Trip Card (which comes with 5 trips preloaded on it) and whenever you wish to travel you can use your trip card to book your trip online or through a Via Partner Store. Once your trips are exhausted you can simply recharge your trip card online and continue traveling and saving on your business or leisure travel needs. I am sure these products will create a niche for themselves and add a great deal of value to the end consumer.

## The Maidens

### About the Hotel

Maidens Hotel is one of Delhi's oldest hotels, built in the early 1900s, and has retained its colonial charm and architecture. Its spacious rooms with high ceilings are unique when compared to the box-sized rooms of modern hotels.

Situated in the North Delhi residential area with big "Turn of the Century" bungalows and the bank of the river Yamuna on the east; close to the University of Delhi Campus. The hotel lies within walking distance (200 meters) of Civil Lines Metro Station. Late 19th century architectural elegance is reflected in the classical rooms and the elegant restaurants.
